

# ORGANIC HEALTH CARE WEEK

**April 21-25**

We want to promote chiropractic as an organic, natural approach to improving health conditions.

In conjunction with **Earth Day**, for the entire week of April 21-25, you may “Bring a Buddy” and with a small cash donation of \$25 or more for our community park system or the Urban Ecology Center [pick your charity] we will provide, as needed:

1. a free new patient examination, including initial x-rays
2. report of findings,
3. plus a fifteen minute massage

[customize the offer to your office]

**Help Your Family and Friends Go Organic  
With Chiropractic.**

**Smith Chiropractic**

**See call the front desk for more information.**

# ORGANIC HEALTH CARE WEEK

**April 21-25**

Research shows that chiropractic care relieves pain and discomfort naturally and economically. It improves health and allows the body to heal itself without the use of drugs, chemicals, or other toxic substances.

Chiropractic care has always been a natural solution to improving health naturally.

To do our part, in conjunction with **Earth Day**, for the entire week of April 21-25, Smith Chiropractic will be offering:

1. A new patient examination, including initial x-rays
2. Report of findings,
3. Plus a fifteen minute massage [customize the offer to your office]

We are offering this only for this week for a special fee of \$25 which will be donated to our community park system [your charity].

So, if you are tired of the pain, distrustful of pharmaceutical drugs or surgery....

**Go Organic. Try Chiropractic First.**
